1. Introduction

This report documents the individual contributions of each member of the team for the Week 6 deliverable of Web-Based Systems, project title: Aura Artifacts. -

Aura Artifacts is a luxury e-commerce platform for customizable gemstone bracelets. It allows users to browse collections, design personalized bracelets in real time, manage their accounts, and access a full admin panel for inventory and order management. This milestone covers the HTML5 and CSS3 implementation; PHP and MySQL integration is planned for Week 11.

Task distribution was designed to ensure an equal and fair workload. Each member was assigned a cohesive set of pages matching one functional module of the platform. A shared stylesheet (styles.css) was maintained to ensure visual consistency across all pages.

2. Contribution Summary

Accessibility Page - Accessibility Features (Part 1)

Reduced Motion

All animations and transitions are automatically disabled for users who have enabled the "Reduce Motion" setting in their operating system — no configuration needed on our site.

Responsive & Touch-Friendly

The entire site is fully responsive and optimized for touch devices. All tap targets meet minimum size requirements to support users with motor disabilities.

Skip Navigation Link

A "Skip to main content" link is available at the top of every page, allowing keyboard and screen reader users to bypass repeated navigation and jump directly to the content.

GETTING STARTED

Accessibility Page - Accessibility Features (Part 2)

How To Use Assistive Features

Step-by-step guidance for common accessibility tools

Using a Screen Reader

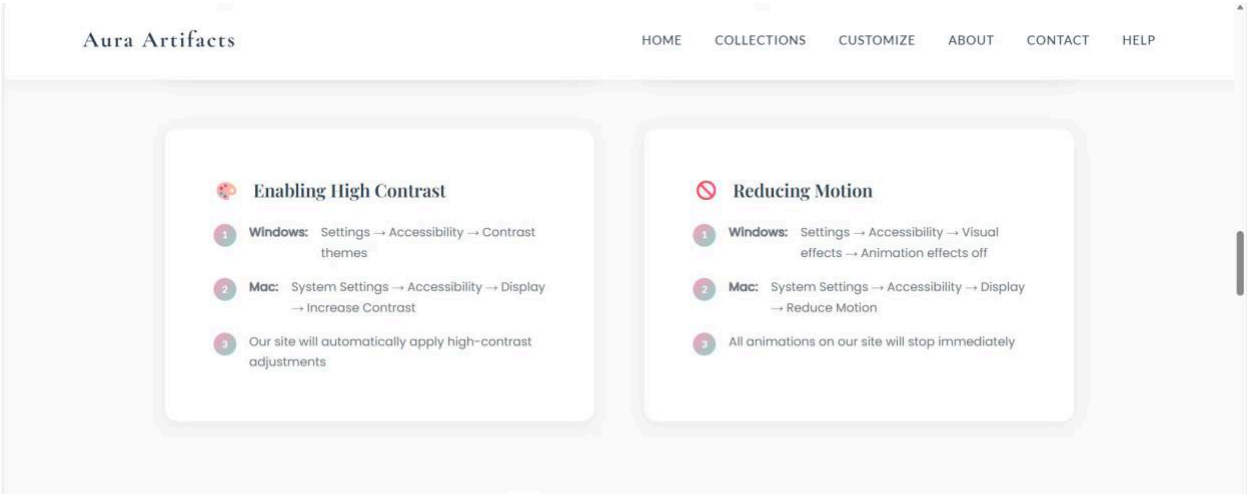

- 1 Enable your screen reader (NVDA, JAWS, VoiceOver, or TalkBack)
- 2 Press **Tab** to activate the Skip Link at the top of the page
- 3 Navigate headings using **H** to jump between sections
- 4 All buttons and form fields are labelled for clear announcements

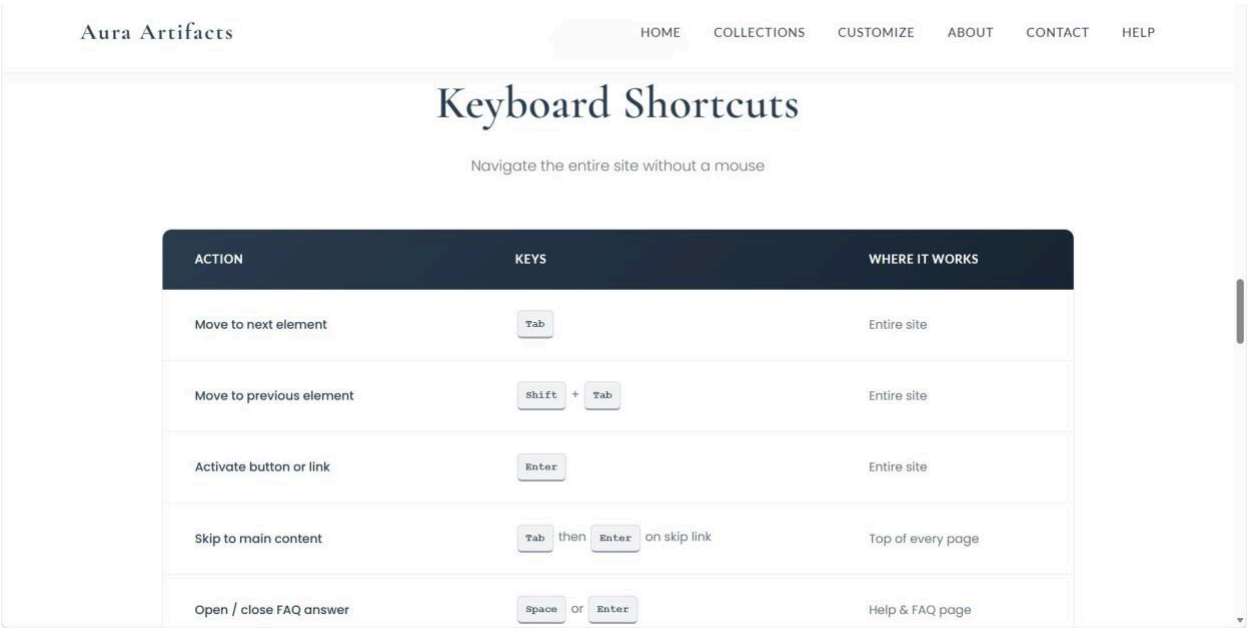

Adjusting Text Size

- 1 In your browser, press **Ctrl** + **+** to zoom in
- 2 Press **Ctrl** + **-** to zoom out
- 3 Our layout adapts at all zoom levels without horizontal scrolling
- 4 All text can be resized up to 200% without loss of content

About Us Page

Our Core Values

The principles that guide everything we do

Sustainability

We are committed to protecting our planet. From ethical sourcing to eco-friendly packaging, every decision we make considers environmental impact. We plant a tree for every bracelet sold and use only biodegradable materials.

Authenticity

Every gemstone is genuine and certified. We work directly with trusted suppliers who share our values of transparency and quality. No synthetic stones, no compromises—only nature's authentic treasures.

Craftsmanship

Each bracelet is lovingly handcrafted by skilled artisans who pour intention and care into every piece. We support fair wages and safe working conditions, ensuring that beauty is created ethically.

About Us Page

Our Journey

From a dream to a global movement

2019 – The Seed is Planted

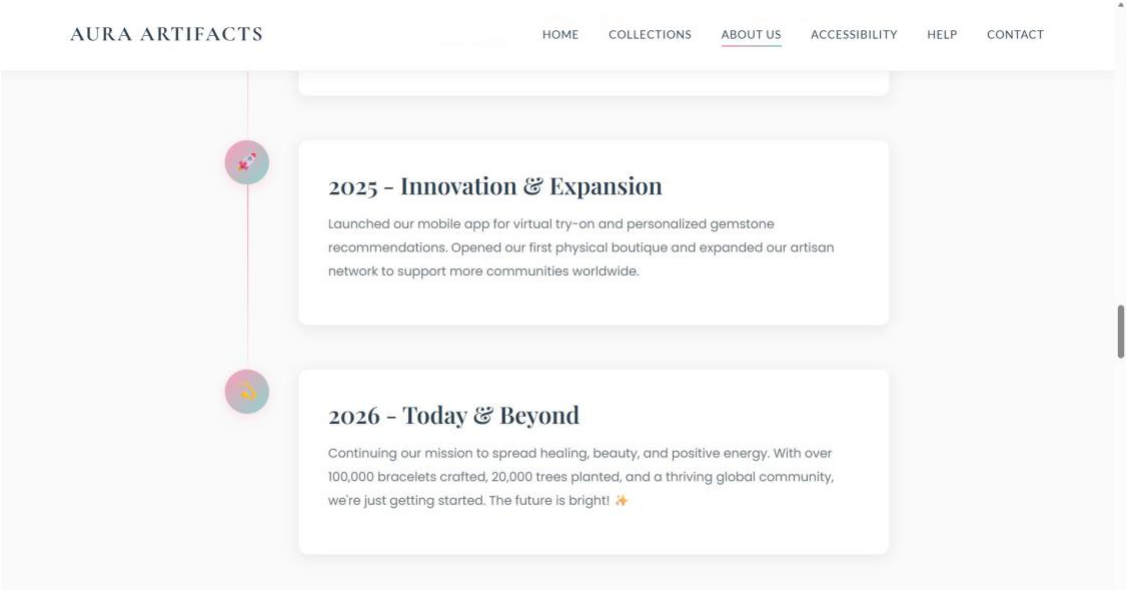

Our founder discovered the healing power of Rose Quartz during a personal journey of self-discovery. Inspired by its transformative energy, the vision for Aura Artifacts was born.

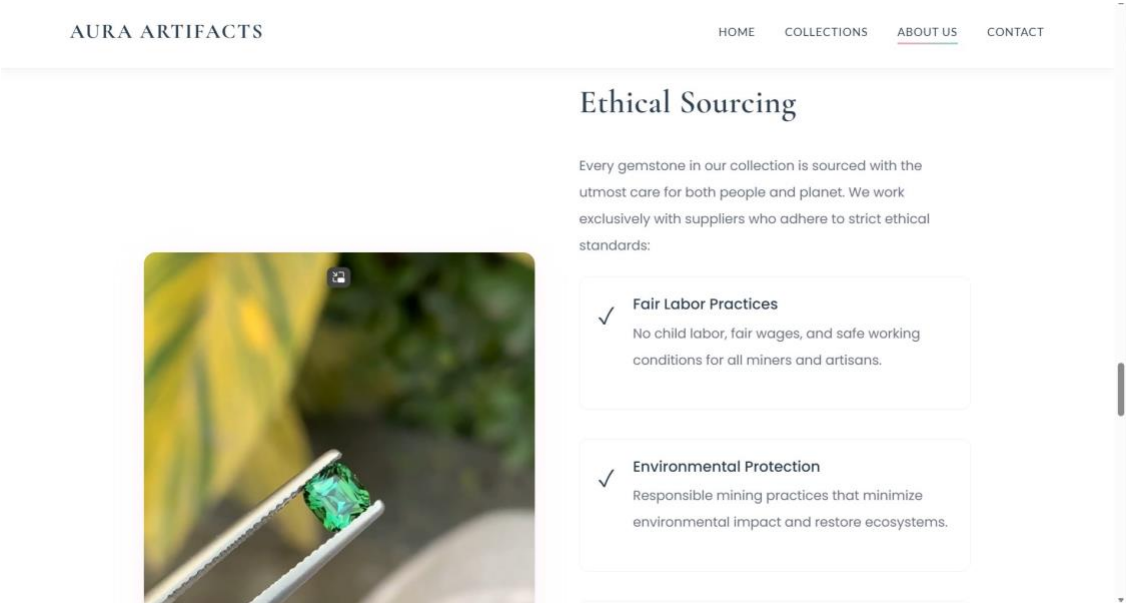

2020 – First Collection Launch

We launched our first collection of handcrafted bracelets, featuring five signature designs. The response was overwhelming, with customers sharing stories of healing and transformation.
